

that was so fancy and special. So-- Yeah, I specialize in meat dishes. And you're vegetari- Yeah.

And the meat dish I heard you made your brother Said was awful. So I don't know. It wasn't awful.

I heard it was awful. It was ever so slightly overcooked. And when I say ever so slightly,

I mean at least 20 minutes it was in there for too long. I do these roast potatoes that

will **knock your socks off**. Talking all this. But I've yet to taste it. So-- I'm not lying.
te deixar de queixo caído

Would you ever do another "lip sync battle" ?
sugere a ideia de considerar a possibilidade no futuro.

No. Absolutely not. Girls, what y'all trying to do? It was so stressful.

And we did such a good job. I just want to add, also, he made it seem like we were gonna –

you know, we were like, **let's keep it chill**. Like, let's not do too much. We're just gonna
Vamos manter a calma

like, do a good job, **we're not gonna stress ourselves out**. And we're just going to, like, **coast**,
right? Não vamos nos estressar. seguir em um ritmo tranquilo

Come to show day, there is rain and costume changes and **sparklers** and backflips.
Quando chega o dia do show estrelinhas

I didn't have any sparklers.
