

What's your favorite christmas movie?

My mum and I watch that every year. And it just, like, honestly, the pair of us, every year, wet ourselves laughing. You don't see that every day. I would say probably the Home Alones.

Home Alones are excellent, yeah.

Ahhhhhhhh. It's pretty great. And then, as a little kid, when you're watching it, you're like, this is sick. But you know what's interesting? Like, you think that you can do that. Yeah, totally. What is your secret talent?

And I don't think so. I've never really had-- To be fair, that black bean burger thing you made the other Day was actually really good. And listen, I've never--I've never had one of your dishes
